- Andy Dana, Conservation Law Associates -
- Dan Vermillion, Owner, Sweetwater Travel -

*Doors open at 5:30pm. Free snacks. Beer and wine available for purchase.*

Join us for a film event that celebrates the legacy of conservation across Montana.

Produced by Bozeman filmmaker and photographer Eric Ian and the Montana Association of Land Trusts, this film marks the 40th anniversary of the state's first conservation easement in 1976. Since then, landowners have partnered with land trusts and agencies to conserve 2.4 million acres of private land in the state.
